

EUTC

**Fostering energy efficiency, security
and a net zero carbon future**

ANNUAL EVENT

9-10 November 2022

Lisbon, Portugal

EUTC

Join the European utility telecommunications stakeholder community in this first in-person EUTC Annual Event taking place in Lisbon, Portugal on 9-10 November 2022.

Over the course of two days, EUTC members and other participants coming from utilities, the private sector, and national authorities will get the chance to meet in person and exchange on a variety of topics.

**For more information, please contact
communications@eutc.org**
