

**TELECOMMUNICATIONS FOR THE ENERGY TRANSITION,
ENABLING A SECURE AND SUSTAINABLE FUTURE**

EUTC

2025 ANNUAL EVENT

**November 4 and 5, 2025
Brussels, Belgium**

Connect with Europe's Utility Telecommunications Leaders

Join the European utility telecommunications community at the EUTC Annual Event in Brussels, Belgium, on November 4–5, 2025. This in-person gathering is the premier platform for stakeholders driving the future of smart grid communications.

A Unique Forum for Innovation and Collaboration

The event brings together utility telecom strategists, technology innovators, policy makers, standardization experts, and industry disruptors. It's a one-of-a-kind opportunity to exchange knowledge, tackle pressing challenges, and explore future directions that will shape the evolution of telecom solutions for smart grids. Participants can expect practical insights, visionary ideas, and meaningful connections.

Stand Out with Exclusive Sponsorship Opportunities

Put your organization in the spotlight before, during, and after the event. Tailored sponsorship packages offer unmatched visibility and engagement with a focused, influential audience.

Free for EUTC Members

Attendance is free for EUTC members (up to three representatives per member organization).
