DAY 1 | Tuesday 4 November | 08.00 - 17.30

08.00 - 08.30	GATHERING AND ENTRY PROCEDURES TO THE EU PARLIAMENT
08.30 - 10.30	CONFERENCE AT THE EU PARLIAMENT <i>Strengthening European energy sovereignty: advancing security and resilience of electricity as a foundation for modern society</i> Hosted by MEP Del Castillo
10.30 - 11.30	WALK TO THE VENUE & COFFEE BREAK
11.30 - 11.40	<i>Welcome to Conference by the President</i> Dr. Andreas Breuer (EUTC Chairman)
11.40 - 12.10	<i>Spotlight to EUTC international Partners</i> Dymtir Wajzman (UTCAL), Rusty Williams (UTC), Andreas Breuer (EUTC)
12.10 - 12.30	<i>The cost of inaction</i> Sponsored by Ericsson Pilar Rodriguez
12.30 - 13.00	<i>Major network issues in 2025: Telecoms issues associated with Blackout in Iberian Peninsula</i> - Panel discussion Moderated by Adrian Grilli (EUTC)
13.00 - 13.30	<i>Powering Resilience: The Mission-Critical Communications Backbone of Utilities. Exploring the 3Rs—Reliability, Redundancy, and Restoration</i> Sponsored by Tait Communications Daniel Draughn
13.30 - 14.30	LUNCH
14.30 - 15.00	<i>Timing at the Heart of the Grid: Evolving Requirements for Critical Utility Networks</i> Sponsored by Chronos Chris Farrow
15.00 - 16.00	<i>Building the Resilient Utility of the Future: Exploring Grid Scenarios and Their Telecom Implications</i> - Panel discussion Moderated by Gosta Kellner (450 MHz Alliance)
16.00 - 16.30	COFFEE BREAK
16.30 - 17.00	<i>European Sovereignty in Action: The Alliander Case Study</i> Sponsored by Westermo Patrick Conway
17.00 - 17.30	<i>UHF Band (N71) & 3GPP to Improve Support Critical Functions for Society</i> presented by TNO Jos Berière
BREAK	
20.00 - 22.00	NETWORKING COCKTAIL AND GALA DINNER at Maison du Cygne

DAY 2 | Wednesday 5 November | 08.00 - 15.30

08.00 - 08.30	WELCOME COFFEE
08.30 - 09.30	EUTC General Assembly (members only)
09.30 - 10.00	<i>Quantum Safe Networks for Critical Infrastructure Protection and Resilience</i> Sponsored by Nokia Chris Jones
10.00-10:30	<i>Protecting the operational telecoms of European Energy infrastructures in the face of major interference from hackers, organized crime and nation states</i> - Panel discussion Moderated by Adrian Grilli (EUTC)
10.30 - 11.00	<i>Cyber-Resilient Critical Infrastructure: Secure Data Communications for future Smart Grids</i> Sponsored by PPC-AG Eugen Mayer
11.00 - 11.30	COFFE BREAK
11.30 - 12.30	<i>Beyond Connectivity: How Teldat Uses AI to Redefine Cyber and Physical Security in Utility Networks</i> Sponsored by Teldat Francisco Guerrero
12.00 - 12.30	<i>AI for Utilities: International Taskforce Report</i> Moderated by Adrian Grilli (EUTC)
12.30 - 13.00	<i>Private Utility Networks: Simple, Secure, Resilient</i> Sponsored by Druid Software David O'Byrne
13.00 - 13.30	<i>6G Sustain Project</i> presented by Real Wireless Damian Bevan
13.30 - 14.30	LUNCH BREAK
14.30 - 16.00	<i>International Panel on Standards, Regulations & Spectrum</i> Moderated by Adrian Grilli (EUTC)

PLATINUM SPONSOR

GOLD SPONSOR

SILVER SPONSOR
